Program Overview

Our program is built on specialized courses in insurance and risk management, complemented by a strong set of courses in all the functional areas of business and economics, and rounded by ODU's proven liberal arts core curriculum.

ODU's Business Division is accredited by the Association of Collegiate Business Schools & Programs (ACBSP).

Why ODU?

- Vast majority of ODU students participate in internship placements in Columbus-based businesses, industries and nonprofit organizations as well as government offices.
- Some students will qualify for ODU's challenging 4+1 MBA program, which allows students to earn both their bachelor's degree and MBA in five years

Internships & Research

Our location in Ohio is in the heart of a state boasting 28 Fortune 500 companies. Columbus alone has six Fortune 500 companies: Cardinal Health, Nationwide Insurance, American Electric Power, Limited Brands, Hexion Specialty Chemicals and Big Lots.

As Ohio's state capital and the 15th largest city in the country, Columbus offers many opportunities for internships that will provide ODU graduates with an edge in the competitive job market.

Career Possibilities

As a result of our teaching methods, our graduates are prepared for a broad range of general business careers. We emphasizes the development of foundational business knowledge across disciplines and encourage ethical practice and social responsibility.

Our Insurance and Risk Management graduates will qualify for successful careers as risk managers, compliance officers, actuaries, claims managers, loss control consultants and much more.

On-Campus Opportunities

ODU Business students are active in several campus and national student organizations, including Delta Sigma Pi. Through these organizations, students are active in the community and in their academic area of interest, allowing them to gain marketable experience.
