

Program Assessment Survey: 2017-2018

Program: _____

1. What did you learn from last year's assessment activities and how will you utilize the information?
2. List two program assessment goals for the current academic year.
3. What student learning outcome(s) will you measure and share for the upcoming year?
4. What is your plan or current process for documenting and sharing outcome measure results?
5. In what ways can the Academic Assessment Committee aid you in your program assessment processes?

Please submit to Linda Wolf by Friday, October 27, 2017.
