### Guidelines for working with all Academic Resource Center tutors

- Work on your own first – rework your notes, (re)read the textbook, look at online tutorials
- Be specific with your questions – it’s hard to help a student who overgeneralizes, for example:
  - “I don’t understand Chapter 3”
  - “I can’t do this problem”
  - “I don’t get anything in this class”
- A tutor will **not** assist you with take-home quizzes or test questions.
- Plan ahead – avoid last-minute rushing – make an appointment (see below)

### How to make an appointment using TutorTrac

Go to <http://tutortrac.ohiodominican.edu> or go to the Academic Resource Center web page (<http://www.ohiodominican.edu/arc>) and click on the “TutorTrac” link on the middle of the page.

Sign into TutorTrac using your **ODU username and password**.

1. On the left side, under “Student Options,” click on “**Search Availability...**”
2. From the drop down menu on the left-hand side of the page, **choose the Center** you wish to visit: **ACE** (content tutoring), **WRITING**, or **MATH**.
3. Click the “**Search**” button. TutorTrac automatically searches for the next two weeks.
4. When you find an open time that is convenient for you (highlighted in green), click on it.  
A new box will open:
  - √ Use the drop down arrow by “**Subject**” to choose the course for which you are visiting.
  - √ Use the drop down arrow by “**Reason**” to select the reason (most likely “Tutoring”).
  - √ Click “**Save**” and you are done!
5. **If you have trouble** using TutorTrac, find the tutor’s name on the ARC tutor list and email him/her directly for an appointment. (Link is in the sidebar on the ARC website)
