

How to Search PAIS[®] International & Worldwide Political Science Abstracts

OhioLINK research databases

Ohio Dominican University Library

What is PAIS International?

PAIS covers important global political, economic, and social issues. Covers 1972 – present.

What is Worldwide Political Science Abstracts?

Worldwide Political Science Abstracts covers political science and its complementary fields, including international relations, law, and public administration / policy. Covers 1975 – present.

Step 1. Connect to the database

- Connect to the ODU Library homepage: <http://www.ohiodominican.edu/library>
- From the Library's homepage, follow these links:
Articles in Databases → [Political Science](#) → Select your database

Step 2. Start Your Search

1. **To search by Keyword:** Use the search box to enter your search term(s). The default search for this database is a keyword search in "all fields" of the records.
 - Type a single word or phrase
Example: globalization
Example: grameen bank
 - Type AND to narrow your search or use OR to broaden your search
Example: religion and culture
- Finds items that contain both the words "religion" and "culture"
Example: ecology or environment
- Finds items that contain either "ecology" or "environment"
 - Type a **dollar sign** (\$) to search for different endings of a word
Example: economic\$
- Finds "economic," "economical," "economics," "economy," etc.
2. **To search by Author:** Select Authors from the drop-down menu next to the search box and type the name in the search box.
You can use LAST NAME or LAST NAME, FIRST or LAST NAME, FIRST LETTER:
Example: casini, c
- Finds articles written by C. Casini
3. **To search by words in Journal title, or Article or Book title:** Make your selection from the drop-down menu next to the search box & type your words in the box
4. If you wish to use multiple search boxes, click on **More search boxes** and add your terms.
5. If you want to search for your words in the official database thesaurus, then be sure that the following box is checked near the top of the screen: **Search words in thesaurus:**
6. If you would like to limit your search, click on **Show limit options** (see Step 3: Limit Your Search).
7. Click on the **Submit Search** button.

Step 3. Limit Your Search

To determine what limit options are available, click on **Show limit options**, below your search box.

You can LIMIT your search by:	Example:
Year	<i>From: 1990 To: 2004</i>
Article Type	Periodical (journal article)
Language	English

Step 4. Review & Locate Your Articles

1. Click on an **article's title** to view the article citation, which will include a useful summary of the article.
2. Click on  **Find It!** near the article title to see if the article is available in full text online in the OLinks pop-up window. Follow these steps:
 - A. If the article is available in full text, you will see a link for full text on the left side in your pop-up window, for example: **View full text of this article in the EJC**. Click on the link and follow the prompts for full text.
 - B. If the above full-text link is NOT displayed on the screen, then click on the link **Search by title in the Ohio Dominican University Library Catalog** to search for the journal title in the **ODU Library Catalog** using a Title search.
If the journal is in our library, then use the ODU Library Catalog to
 - 1) make sure the VOLUME & ISSUE NUMBERS you need are available and
 - 2) note the journal's LOCATION.
 - C. If the journal in which the article is published is NOT in our library, then return to your options in the pop-up-window and click on "**View Inter-library Loan Options**" so that you can do an Interlibrary Loan Request to obtain a copy of the article (allow 3-10 days for processing). For more information on interlibrary loans, visit the library homepage and click on **Access Services**, then **Interlibrary Loan**.
3. Use the **Prev** | **Next** links at the top of the results list to move from one page of results to another.

Step 5. Storing, Printing, Downloading, & Emailing Your Article Records

1. Click on  **Store** or  **Store this Record** near the article title to mark a record for storing. Then click on **Results List** (near the top of the screen) to go back to your list of records.
2. Click on **Stored Records** near the top of the screen on your results page to review, print, or email what you've stored.
3. From the Stored Records screen, you can view, print, download, email, or export your article records. Follow the prompts to complete this process.

For more help or to use some of the database's advanced search features, click on **Tips, Help, and Chat** near the top of the database search screen.
