Director’s Signature__________________________     Date__________________________
Senior Honors Thesis/Project Proposal Guidelines

- The proposal must be 2-3 typed pages
- The proposal should be well thought out and revised at least once after the advisor has given substantial feedback
- The proposal should include a precursory literature review or reading list
- The methodology for proceeding with the thesis and justifications for this should be included
- You should consult with your thesis advisor for additional guidelines and to obtain sample proposals.
