

Student Athlete Parent Information

Sports Medicine Information

Medical Paperwork for Athletes

All forms are located on the athletic web site. Please note that Student Athlete Medical Paperwork should be sent directly to the Head Athletic Trainer, Jamie French by email or regular UPS mail. Electronic submission by email is preferred. His contact information is on the web site and listed below. Please be sure and keep a copy of what you send. All Student Athletes must be covered under a Primary Medical Insurance Policy, and proof of the policy is required when submitting paperwork.

Student Athlete Insurance – Secondary Insurance – Annual Fee

Required for all student athletes, there is no option to waive the insurance regardless of your current medical coverage. The insurance fee is non-refundable. Once an athlete has attended any team workout in the A, it becomes non-refundable. This charge will appear on your university bill from the Business Office. Secondary Policy details are listed on the web site under Sports Medicine. Estimated fee for 2022-2023 Academic Year is \$300.

The Sports Medicine link can be found by going to the ODU main web site> athletics>Inside Athletics> Sports Medicine

Student Athlete Handbook

All Student Athletes will review the Student Athlete Handbook once they are on campus. The handbook addresses a wide variety of information ranging from Student Athlete Expectations, Eligibility and Compliance. All athletes are required to sign a form acknowledging their review of the handbook, and their understanding that they are required to abide by all the information included in the handbook. Each coach/team may have additional rules and expectations for their programs that will be communicated to the respective players. A copy of the handbook is located on the athletics web site under compliance. As a note, there is also a Student Handbook for all ODU students. Student Athletes are accountable for all information in both handbooks.

Ticket Information- Home Contests

Admission is charged for home Football and Basketball Games. Football and Basketball participants are allotted a set number of complimentary tickets for every home event for their particular sport. Student Athletes must fill out a form before each event listing the names of the people to receive the complimentary tickets. Spectators receiving complimentary tickets must show ID and sign for their individual ticket. The number of complimentary tickets allotted to each participant will be announced closer to the season. Due to COVID-19, restrictions on fan attendance is still undergoing review.

Fall Sports Early Report Dates

Fall coaches will send the athletes more details about the early report dates including actual check in times. Winter and Spring athletes will move back to campus at the same time as the general student resident population.
