

IMMUNIZATION LETTER

Dear New Student,

We are pleased you will be attending Ohio Dominican University. In our efforts to provide you with a nurturing academic experience it is important to keep your body and mind in optimum health. The following documents will assist us in working together to meet these goals.

Immunization Guidelines:

- The **Immunization Forms** are to be completed with up to date documentation and signed by your health care provider. We strongly encourage that all of the following immunizations are up to date. If you choose not to update your immunizations we require a copy of the immunizations that have been administered and the Immunization Waiver Form.
- All students must complete the Hepatitis B and Meningococcal Meningitis Status Form as required by the State of Ohio. Students are NOT required to have the Hepatitis B or Meningitis vaccine in order to enter the university, but ARE required to report their status on this form. Students who have received either or both vaccines must report the dates.

Immunizations:

Measles, Mumps, Rubella (MMR)

Tetanus, Diphtheria, Pertussis - Tdap

Varicella (Chickenpox)

Hepatitis B

Meningococcal Vaccine

Polio

TB testing is not necessary for new students unless it is required by a specific university program

Please access the **Immunization Forms** listed below from the Ohio Dominican University website: <http://www.ohiodominican.edu/HealthServices/>

- **Immunization Form**
- **Meningococcal/Hepatitis B Vaccination Status Form**
- **Information Sheet for Meningococcal Meningitis and Hepatitis B**
- **Immunization Waiver Form**

Please mail or return during orientation sessions the completed **Immunization Forms** to:
