How to Search the ODU Library Catalog

Why Use the ODU Library Catalog?
Use our catalog to find what we own, including: books, videos, DVDs, audiotapes, software, and the titles of the print and online newspapers, journals and magazines to which we subscribe. Do not use it to search for articles—use a Research Database to find journal, magazine, and newspaper articles on various topics.

Step 1. Connect to the Library’s Catalog

- From the library’s home page (http://www.ohiodominican.edu/library/), type your search directly in the Library Catalog search box or click on Books & More to go to the catalog.
- OR Using your Web browser, go directly to: http://library.ohiodominican.edu

Step 2. Start Your Search

Keyword Search

1. Use a Keyword search to perform a broad search for your topic words.
2. Type in the word(s) that describe your topic. Use quotation marks around a phrase.

   Example:
   - impressionism
   - “global warming”

3. Use OR to expand your search by searching for any term listed and use AND to narrow it by searching for all terms listed.

   Example:
   - woman or women
   - acid and rain (same as typing: acid rain)

4. Use an asterisk * to search for various endings of your words.

   Example:
   - medic* (will find: medical, medically, medicine, medicines, medicinal)

Author Search

1. Use an Author search to search for a name of a person or an organization.
2. Type the author’s last name first. Include all, part, or none of the first name.

   Example:
   - atwood, margaret
   - vatican council

Title Search

1. Use a Title search when you know the first words of or the full title of an item—EXCEPT for titles of articles. (Do not use the ODU Library Catalog for journal article titles—use the library databases.)

2. Type as much of the title as you know in exact order starting with the first title word.

For more information, see the “How to Search the OhioLINK Library Catalog” guide.
Title Search Example:
- one hundred years of
- journal of banking

Step 3. Limit and Sort Your Search

You can limit and sort your search using one of two methods:

1. At the beginning of your search, select
2. In the middle of your search, select

<table>
<thead>
<tr>
<th>You can LIMIT your search by:</th>
<th>Example:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Language</td>
<td>English</td>
</tr>
<tr>
<td>Material Type</td>
<td>audiovisuals</td>
</tr>
<tr>
<td>Publisher</td>
<td>Wiley</td>
</tr>
<tr>
<td>Where item is located</td>
<td>Main Stacks</td>
</tr>
<tr>

<td>1990</td>
</tr>
<tr>

<td>1999</td>
</tr>
</tbody>
</table>

Step 4. Find Your Item on the ODU Library’s Shelves

<th>CALL NUMBER</th>
<th>STATUS</th>
</tr>
</thead>
<tbody>
<tr>

</tr>
</tbody>
</table>

This is the library location for this item.
This is a Call Number. Items are shelved in Call Number order, ranging from 000s to 999s.
This indicates if an item has been checked out by another patron already. "AVAILABLE"- The item should be on the shelf. "DUE DATE"- The item has been borrowed by another person.
