Mobile Access to Library Resources
What is available?
This guide provides a view of the current conditions & knowledge in April 2013 of Mobile possibilities. Please check www.ohiodominican.edu/library or ask a librarian for updates on Mobile accessibility.

Library catalogs & databases are rapidly creating Mobile interfaces and Mobile apps to further accessibility.

ODU Library, too, is in the process of adding more links on its web site for Mobile access options.

- At HealthWatch
  This database focuses on the many perspectives of complementary, holistic and integrated approaches to health care and wellness. It offers hundreds of full text articles for more than 180 international, often peer-reviewed journals and reports. In addition, there are hundreds of pamphlets, booklets, special reports, original research and book excerpts. At HealthWatch provides in-depth coverage across the full spectrum of subject areas covered by complementary and alternative medicine. This database features indexing and abstracts going back as far as 1984, and full text going back as far as 1990.
